Introduction.

A better #1 ranked epic sequence of film script movie inventions. All of these are easily literature advanced plus much better than brilliant and preciously gifted. The following film shorts I'm going to display shape alphabetically into new innovation wondrous content. The figure and format cash must amount to X many calculations. This is a must, watch and concoct buy upon a time by the improved word configuration master. 7 movies in 1.

#### SCENE 1:

Opens with 4 frames of a square  $\frac{1}{4}$  each segment turning red blue green yellow clockwise in each sequence followed by a golden gong being struck on a 10 X 10 grid top left to bottom right of the shot by a spider in a rain coat wearing a curry magic film golden presentation Badge.

Scrolling up the screen in white on blueprint plus in extra added 3D writing in association with 360+ complete whole suite

alpha-beta business mega quota accountability inventions  
[WWW.INVENTIONCORPORATE.COM](http://WWW.INVENTIONCORPORATE.COM) better than magically conjures you  
up via the spirit of the vaulted bogeyman more innovation film  
magic now 1500+ invention opportunity chances...

Luxury enchanted drum rhythms roll in from the distance then  
visuals of loud up close snare drum sticks playing a golden tune  
drum roll. Then symbols crashing ten times fast.

SCENE 2:

Left to right scrolls the text...

"Film script #1."

A New film script titled.

"GOD TODAY."

I don't think that I'll even bother they're all in such a rush. I'll just smash the Devil for him in his film instead for starters tonight. All that is needed is a screen fade & heavenly sounding trumpet and fanfares to the spoken words.

God easily smashes the Devil/Satan/Lucifer/And Beelzebub. Then reverses the entire lot. God doesn't even bother to start the universe in motion.

Also spelt out 1 letter at a time with the audio..

Another invincible graphics FX of the man' imagination copious...  
+ The bountiful omega fiction film end.

It could be easily done my son the complete reversal he could easily do it. 4 seconds of silver and golden lines going up then down... Left then right. Visuals of Almighty God sitting aloft in the north of the heavens on his throne.

Transition to a double-sided triangular mirror turning around with the moon reflected one side... The other the sun between a man's 2 eyes in a very shadowy setting.

SCENE 3:

Left to right scrolls the following text and pauses...

"Film script #2."

SCENE 4:

COMMENTARY

Part 2 Titled God The Sorcerer.

Visuals of the following... Speech spoken behind a screen.

GOD THE SORCERER

The unbeatable numerous God The Sorcerer comes back to battle it all even it up with actual battle magic combat sorcery wins. He physically opens the heavens and a lightning style void approaches the. He astral projects the passing demise out of everyone. Completely on all the 7 levels of the astral plain and over all the earth.

The next text with no motion or fade spoken by the narrator.

SCENE 5:

NARRATOR

So, this is a film about astral projection let it be told. All unholy heathen bitches innovative cook up witches and sorcery nuns and Devil night priest' bogeys and imaginative goblins with their doomed black pots enchanted

power cauldron' against God's astral projection sorcery is today made nought. For within the brilliance of God' light is the Wizard of God he is a powerful sorcerer he has the power up of God and.. The Devil gave it to him also a near perfect balance of the yin and yang is achieved made unto him the art.. Anything astral projected onto the or unholy craft performance onto him/The Wizard Of God gives back in deeds several plus fold he can astral project anything in this f\*cking movie he takes nasty liars souls off them 'easily' he sends them to where limbo/hell for a bum time nasty and the special engine FX is pixelated and for forever ultra in very favoured mega eons it lasted. Plus at the very bottom of this movie pit is a sex act brothel and a terrible she witch.

SCENE 6:

GOD THE SORCERER

I again appeared right side next to the holiest light as God The Sorcerer in nightmare' of men akin I can do this by art and by speaking it happen. By clapping my hands it happens, by thoughts make it happen I can even via living electricity email it happen or write pen stamp a friend make it transpire materialise. Forwards unto the dark abyss of mayhem.

Visuals of somebody receiving an inbox on a computer terminal & letters coming through a mystery letterbox. A telephone rings it is answered..

#### GOD THE SORCERER

Taxing even in thought over any ones bugged telephone I can demonstrate the. Plus... I can even send you onto a fictional Hell of which all other cheeky C's have been sent through the void if I know not you are male or female in

these gruelling days. Is it to much to  
f\*cking ask for you to keep quiet?

An ace futuristic glance 2 second frames of a separate male +  
a female toilet sign.

#### GOD THE SORCERER

Anywhere in the world that I know about  
probably with ease everything in the  
cosmos. Plus down the drain is it the  
earth going to pot.

#### SCENE 7:

A 10 second photograph flick book imagery of the planet earth  
show in front of the entire cosmos universe.

#### SCENE 8:

Now action... God The Sorcerer is looking down at the blessed war stricken and polluted earth sphere imagery from the moon/dark satellite monitoring on a viewing monitor the monster of which is man X3 timelapse videography sequences side by side of known history through to the present day lasting 30 seconds.

SCENE 9:

COMMENTARY IN A MINISTERS PREACHING TONE

All this was foretold in fate and it has been made known to the public in his earlier works plus here tonight by the battle of God's powerful sorcery projections written is the prophecy.

SCENE 10:

God The Sorcerer upgrades the astral projection... A thin thread of silk from the top of his spine out through the conjuring screen.

Cut.

SCENE 11:

As it reads thanks, ya brat...

Behold... Followed by a dark rights witch' pot, boiling in magic arts. Out from the pot a blackness arises a new found humanoid figure in a stretched black silhouette sheet with jet black sequins new shiny flecks looking disguised a bit like the ace famous classic V\*\*\*\*\*t P\*\*\*e V.P. Actor fact... Coming like the welkin he cuts open with his swish power better written skilled favourited early light medieval type sabre sword the magic sheet to reveal... Further unto the great knowledges of the seraphic arts increasing tremendously the huge power up angels appeared upon the apocalypse steed before the and alongside in recurrent aether tune hits went the many sexed up number one wins of the on-form text semi-nude magical female angels invention correct and via the holy order real formatted fire and ice exact form and method alchemy style nymphs within very nicely done up dolly makeup in evidence facts datum. Now follows... In fine sequence the boasted about best all universal galaxy' FX special graphics

combined within this humanoid shaped pot projection alembic of complete blackness +... Whom might I add as well sayeth a priest slays the unholy creature cuts her down the unclean heathen bitch. O' the angels did sing forever about the inspired artistic flair of this creative movie owner plus 1500+ invention concepts original writing and that was extra arts thou at 12:59 midnight schematic and consumed in vessel fire. Plus written developments include extra smiles across the entire grid and Christ raises aloft the victors banner via the alchemical winged hexagonal bath and raising secrets and secrets of the knowledges of the art.

Cut.

#### SCENE 12:

A mysterious man awakens rubs his eyes to see a hundred plus semi visible small to medium sized yellow orange tarantula spiders crawling across his bedroom ceiling and walls.

Transition to next scene. The moon reflected onto a decagon sided room of mirrors.

SCENE 13:

VISUALS OF AND IN THE VOICE OF GOD THE SORCERER PROJECTING HIS  
SPIRIT UP REFLECTED BACK DOWN VIA THE HEAVENLY POWERS AND THE  
ART...

The others had been awake for at least  
24 hours God The Sorcerer power  
supernaturally transcendently astral  
projects the sorcery from the living and  
the dead of sorcerers... God not I  
magic/physically the actual formatted  
action of the happening... New astral  
projections of sorcery boards onto the.  
Sir! The walls metamorphosis and slide  
up into position all types of being' of  
the animal plane projections to the  
tired eyes of folks. Some of them saw  
him. Photographic picture still of 'The'  
Devil miniscule on the floor plus now  
sayeth the epicentre of the mirror.

SCENE 14:

Visuals of a man's hand pointing the following words out in the dictionary... Speed up turning of the pages then a 1 second pause on the words.

And now speaks "The' Devils sorcery to God The Sorcerer.

THE DEVIL

Better have your cheese on toast now  
you're going into battle again.

GOD THE SORCERER/AND WIZARD MAN IN UNISON THAT ARTS THOU

Let the unholy act commence.

SCENE 14:

With a finger pointing up through the earth to the heavens followed up with a God finger pointing down from the heavens with new inventive creative creatures singing and chanting in sequence...

THE VOICE OF THE ALMIGHTY GOD/AND GOD THE SORCERER/AND UNKNOWN

GRAVE TUNNEL CORPSE IN UNISON

Built up again have they then aye..  
Sayeth the corpse decomposing and  
stewing in living maggots under the  
ground in his crucial grave casket a  
critically upside-down limbo rot. Plus..  
more authoritative powers controlling  
quickly into a short space of time  
herein projected now a proper religious  
lesson... A real religious lesson  
emergency crux biting onto the head of  
one' temple and the global audience  
looked on as everyone in the universe in  
fact got one of those that f\*cking time  
with spittle and snarling.

Visuals of the bitten apple of knowledge on 'the' apple of eye planet.

SCENE 15:

GOD ALMIGHTY/AND THE HOLY GHOST GEEZER

There don't forget who's the boss here...  
God Christ Holy Spirit, also The  
Ultimate Horned Evil Spirit plus God  
The... Powerful Sorcerer. Going into  
spiritual battle. From behind an  
enchantment screen.

SCENE 16:

INT.

Scene cuts to visuals of hooded monk man cooking himself a  
cheese on toast then eating it as told by his majesty 'The  
\*evil' my son. In stages lasting 30 seconds.

Pictures of knuckles popping clicking.

SCENE 17:

GOD THE SORCERER

Come on then.

INT.

Follows...

An altogether divergent total diverse sorcerer astral projects differently onto the walls of Zion the other witches voice projections target aiming the art himself this time achieving an angle and innovation feat so unique of smacked sorcery smack wizard that the eye's moving up the room wall from deep below the mortal earth' crust essential core central astral changing the projection and thy might and magical strength which now even The Satan is unknow-ledged about Santa... + the display of inventions of the company quota suite in question portfolio arts grid and acute written movie graphics... Keeps gaining more info

manifestation about the art and cannot be stopped by any evil... Now sing a gifted backed up format loaded with proficient angel magic strident teeth which is skilled greatly in the art plus all across the big business boardroom and to the tired eyes through witchery and sub plane mapping of the argent vive unicorn changes correctly classified to an alembic firebird and follows... An early sunrise demon in flames mirror angle followed by visual alchemy signage pact graphics and of course a closed eyes veiled curtain window via a zone of Zion later... On in the day is the projection forwarding in time of its futuristic net worth... Plus many of the well yin dodgy faces onto the toilet wall and the profane smelly old sailor face which is a semi visible image still there through the cracked later door which you wished onto the O' dark one of madness the others know much about their witchery and do it nearly all the time. Know to them it's not a poltergeist. Prayer to the it's got to be the nastiest possible f\*cking thing malicious lifeforce. Don't even think of it hot click. O' newest viewer/soul watcher it might fix jinx its spell unto the. Contained within a bolt of lightning was his quick mind set a lighting thought of a four-matches voodoo inner judgement as he crossed the roads home knowing it somewhere else... Snapping it lost away from the with the snapped sulphur less fourth match it cannot follow them home either because it? Is definitely lost without the dead match. Today O' viable is the light and the pastures green. Entertainment

creator in his mind to God The sorcerer, in his mind to God The Wizard plus mighty Jesus Christ holy spagyrist.

Cuts to Christ & 'The Devil' playing elemental chess. Lasting 20 seconds.

SCENE 18:

SCREEN/GOD THE SORCERER WITH THE FOLLOWING VISUAL

And now just like the hell f\*ckers film of hardcore sorcery internet video graphics standing astral projecting it again my son the lucifer I project the red/to purple spectrum all magical light ball transparently nearly invisible to the empathy brain chemistry and eyes, yes... He projected it sir from my mind spiritually to someone else's home the.. Moving ball of power. A glowing red/to purple growing light from my hand projects forwards whilst reading the big enough spell book opened in my other..

This type of flashing electro orb around my person hooded cloaked head moves very express fleet and soundlessly across the wall followed by its incentive shadow the coloured power energy stimuli goes as a special effect wizard should that is a mind wizard. Plus, then I and I in a shamanic trance walked through brick walls in a witch doctor' attire panache chic so ghostly and holy in form.

SCENE 19:

The sun rises and the sun set' for another enchanted eon in quick timelapse photography.

Now the moon reflects around onto a decagon sided room of mirrors.

SCENE 20:

OF THE 10 CHANNELLED SORCERY GOD IN UNISON

You are all my little puppets now.

SPELT OUT THIS... AN UNWANTED ASTRAL PROJECTION VOICE

Well, well, well what secrets we reveal.

SCENE 21:

+ visuals of The God plus the following..

GOD THE SORCERER

And I shall continue to me lad to smack  
wizard astral projection you sir a  
little pin prick of an ugly mother  
f\*cker puppet with the finest pin  
backing ears with the truest bean breath  
smelling at a little potato sack  
covering his identity distinctive face  
head barnet pixelated from your view MR.

This Puppet Projection Nightmare Power  
Mother F\*cker is for you folks of witch.  
He son is grabbing you many by the  
throats all at the same time in  
different parts of the world astral... +  
I astral projected it, Sir! Look bounty  
toast. Battling bounty on toast, bounty  
toast, cheese bounty on toast black  
magic food. Thoughts continued... Or even  
snake on a pizza and even snake on toast.

Fades out to white.

SCENE 22:

GOD THE SORCERER

Yeahyyeeesss, with his protected IP  
invention new schematic concept a 1000+  
number within the company portfolio wand  
shaped video projection lamp which  
powerhouses... The entire known earth and  
universe memory banks... Which also is

microphone voice controlled with a built-in stereo speaker allowing audio and complete visual alignment of the system device and the command process pressing of the correct buttons this is the meticulous precise end of this part of the film movie film.

Cut.

SCENE 23:

Left to right the text black spoken and spelt out on yellow Back ground by the commentator.

"Film script #3 Now Titled. Still Not Crying. Now Cry Jiain."

UNKNOWN

Crying.

UNKNOWN 2

Now cry babes, not I nor him.

UNKNOWN 3

Look Iain... We're terrified of this  
geezer, and... This is a New Seven-Fold  
Sequence Of Universe Parable Fables..  
Movie act part #3 upgraded.

The following visuals and sound bank exactly as it read' by the  
narrator thank you...

NARRATOR

Angel magic techniques follow... Firstly  
the moving of the black and white  
voluted swirl turns anti-clockwise for  
3 seconds form then clockwise for 3  
seconds form and fades to 1/3 visible  
and continues over the rest of the scene  
turning red and blue every 10 seconds

and green and yellow every 10 seconds. The whole screen turns 360 degrees around clockwise on its clockwork mechanical vertical axis motion with a bright background light brilliantly raising upwards revealing background darkness fell over the screen... It now turns as alchemized pure silver/white argent vive whilst in fusion with the copper tat in the heat hot burning flames cubicle making a loud snapping noise and light revealing a successful tincting of the alchemy silver equal to the mines. The factual projection act follows... A speed up visual of the rest of the great work/the crowning practical work of philosophy the exact form and method in fact furnace scenario into the waxy red medicine of the holy order in its first degree the great work lasting 1 hour of course in timelapse video/photographic and special fx graphics follow the... The bettering of the stone in all five degrees lasting one month/30 days over a lower heat. Now behold the ferment elixir is

administrated to an old man in the weight of a barleycorn in a little warmed good wine he like the metal is renewed cured of leprosy in the 4<sup>th</sup> degree.. It is also shown behold administrated in its 5<sup>th</sup> and final illuminated form to a dead tree trunk which immediately sprouts new roots shoots and branches originally according to its kind plus writer/chemist show them these clear glass crystals treated with the converted into gem stones equal to the mines of all sizes. This was also revealed to I in mind to the original Satan pact and in mind to The God vessel the accurate commandment.. Inventor' creative cubical is as before written secrets given unto gypsy' Now... Following that lot up are the visuals of many earth globe world country' muscle men/hard men faces and young tough nut cheesy brown bearded young un' that don't know how to shave their ugly f\*cking faces all pixelated scrolling bottom to top lasting 10 seconds going up the screen shot and also given mercy by the writer'

art. Visuals of the eye thing appearing on top of all known to man pyramids one by one scrolling left to right extremely scenic the sun then rises and sets in a timelapse photographic style the eye reappears... On top of every pyramid as before graphics each in turn fast top left to bottom right to make a grid square then visuals of each eye bursting out upwards of its go magic socket base going up into space with its whizzing noise... Thunder and lightning follows.. Then plenty of cool slick birds powdering their noses with what f\*cking drugs mate with pixelated no knickers on and wearing new trainers here's johnny show. Ya brat.

SCENE 24:

E

And the little city neighbourhood head wench vipers and the head blow off boys

and the old boys... The little f\*cking people big Iain says and the box mate are all still whining crying and lying green with envy 10... F\*cking trolling years on from even then, O' ignorance is must be bliss for 'em. Why what have you done wrong Iain and what over the past 3 f\*cking decades mate? Extra here this have a blimping good time and a having it techno rave... House music shout out in the old skool favourite flavour and have a fabled Iain on film signage a sign so fab so awesome and great it has multiplication math and starts with a circle with a dot in the middle of it yes at it's very epicentre. Plus this is also a dancing scene it is greatly appreciated advanced.

SCENE 25:

E

What's this... Run-away boy/s home indoors  
all the way home to your mother' big  
breasts for a drink you big pussy muscle  
man a-brat.

#### E'S CHANNEL

&nd you... You Big biker pussy' run. Plus  
that is a pretty sweet film good  
talented skills and contained the  
ultimate instigated longevity scene ever  
envisioned by man for a wider audience  
it is planned masterminded and break and  
cut.

The End.

Transition cuts to Gold and silver wide lines going up for 3  
seconds down for 3 seconds left for 3 seconds and right for 3  
seconds.

SCENE 26:

He doesn't sell any he eats it all up by  
himself like lamb.

SCENE 28:

Visual graphics of a Jack In A Box toy popping out of his box  
grows into a giant one over ½ the whole city and it speaks.

JACK IN A BOX SPEAKING

Bark!

The bark word is also spelt out in front of the giant Jack In  
A Box a graphics of amassed stars and, this is spelt out as  
well...

'The finish line \_\_\_\_\_.'

Then a picture of one cut with scissors.

SCENE 29:

COCOA FARMER

You've got the prize.

SCENE 30:

Cut' to the smoky cloudy atmosphere of hottest smog clouds of  
dope crack pipes being smoked by junkies in a crack house lasting  
1 minute. Also showing a fella rich slick show-off injecting a  
snowball into his wrist my fellow.

Scrolls left to right the text...

SCENE 31:

The following spelt out...

"A Short Film Script #5. Titled. Knife The Wife."

NARRATOR

Is as follows...

A BEARDED MAN

As soon as I saw that particular knife in the shop it spoke unto the telling me a tale of actual tall ones. It explained in an evil alphabetical sharp tone in great secret detail what I was meant to do with her, plus... Through new nightmares of the night the manifested witch demon' madness had to be straightened completely silenced put to

death... Plus the wench bitch's bit sexed  
up text wet pixelated slit was hushed  
through the mazy abyss of her muzzled  
mind thus sending her onto an oven hell  
conflagration inferno to be a slave down  
the mines with the earlier burnt chimp  
offerings of the writer' innovative art...

SCENE 32:

The following actor/s visuals in alternating blues and white  
templates...

IN A SMARTEST OF PROFESSORS COMPUTERIZED/DISGUISED VOICE

It also told me... Writer of the flirting  
decree wins, writer of the order... Writer  
of his elementariness invention... That a  
man's written obsession with his  
dalliance knife is as fondly felt by the  
one' that feel it true apple of eye as  
he would fondle philanderer his wife and  
his many mistresses, he thought of his

knife very dearly so to speak. One evening a 1 month on the wife and I started another argument over money. You user you think more of that knife than you do me you bastard. It was last straw I flew across the room shot into the kitchen grabbed that innovation knife... My wife knife and I had finally now done the onus deed. The un-savoury wet wench was knifed really, really... Done in entirely via the tempo fanatic dance. I've killed joined up the dots and married them both knife to wife, wife to knife. This was of course terribly satisfactory a death to dance to and I admire the way he wrote that I'd like to read it someday view it at the cinematic venue... I hope the mouthy little sally has her legs open on screen to show off the fleshy parts writer, and... When and if I'm released from R\*mpton hosp-it-al top, top...

VOICE OF ANOTHER NUTTER

Top psychiatric hospital for dirty  
little girls of the funny farm  
haahthfahahaha you rat.

SCENE 33:

NARRATOR

This well valid authentic tough nutter  
was in his padded room with the  
shittiest and vilest real poltergeist  
you've ever seen in a movie. I just  
jumped it up respectfully sang rapped it  
through empirical observation chance..  
Put it there in writing by the all-  
magical skill... It came with an unknown  
measure of mental illness it was  
exclusively wholly completely very un-  
savoury from the end-to-end void  
drenched in mayhems... Attired in  
blackness through the connected snapped  
chaos usage beyond the hell chasms via  
the click onto universal point multi  
dimension.

Descriptive commentary... A photographic still of the special FX loony bin/a hotter mental hospital zooms out to the entire celestial heavens sphere welkin visual which is further slashed open swished with a knife in one' swanky depiction revealing an up-scale chamber with a seriously brainy person' brain cut out and cooking in a blueprint style coloured big pan of cheap millet with a picture of their mugged face pixelated on the side of the cooking pan big pot... Which changes metamorphosis into many mythological creature' face' in special FX graphics seen by the squinting of the eyes lasting 30 seconds 3 seconds a piece... Furthermore, the shot moves out of this affliction dungeon cooking room and down a series of connected image different global country' corridors of power with an audio alignment of loud quick walking footsteps getting closer and closer plus finally a red blue green yellow gold set of curtains open in sequence to make known...

#### SCENE 34:

Film Script #6. Another short. Titled. Smack Wizard. Shoot...
