Description. Same as Magic Fighter Two.

He is wearing a dark blue regular style Martial Arts Costume. With a red blue green yellow belt he has no face he is spirit badness. He dear is a Master of Merlin Style Kung Fu. He intends to destroy and mayhem. He used to be Magic Fighter Two he was born by the powers of earth an fire. He looked reflection into

the mirror waters of Babylon with all the powers of Lilith in his eyes then whilst incantating a powerful spell to double his strength planer binding out from the depths in a whirl pool to tornado hurricane like Excalibur with the powers of the lady of the lake and sword before came forth from the dark abyss a morphing Dragon that split in two alchemizing to a pure Golden Phoenix to Talisman held by Merlin in King Arthur' court a praying deity it was lost found prayed to by lower Demi God's in Avalon and dimensions... For a 3-fold thousand plus years past the Talisman was so powerful here tonight it born him Magic Fighter 2. Above it. The Evil one hates him for the way he came about and would love nothing more, better or less than to do him in big time with all the pain pal.

His Best Special Attack Moves. My secret.

Evil Sword Magician Master 3.

Description.

With blood curdling screams a half Banshee half Insect. He is a skilled Sword Master he not only bites but he bites off. Look this thing they've put in here is a real messy eater it has

melted type chocs for feet. It will spot you and just not give up. It eats big Arachnids even.

Attacking Death Moves.

Also, my secret. It is mirroring to the death move.

SCENE 3:

JIAIN MASTER

Fight.

Fight finish description.

It was a film script ending bloodbath a mass execution magic slaughter. It was written mass murder destruction quick controller my mind controller whoop the combat there was more than a writing revenged worth for the crucifixion plus more than a flood via this prime via the evil butchery passage magic. Then yea affirmative The Imp Queens alchemy phase completion alembic arts pals ascended. Quack. Struck down the 3 evil fighters over

the back of the worm neck with a burning hot buckle belt buckle whipped out their eyes from a small golden coin with that iron whip commentated the sick bent old hag and Satan that arts thou and Satan' Witch poo mind minions were struck down in their prime wiped out completely. Then I cooked it all up some hungry malice... This in strength Madras is a curried spider so big and so strong and deep in magical enchanted manifestations a tall tale so far-fetched original plus... Death cook-ups of ammoniacal magic cat casket utensil vessels... Statistic elements including bat wings bed bugs plus better than breath-taking compounds of rust, gold, sperm and frog spawn. Take no notice of worms Iain. Only worms getting it wrong Iain. Then this text plant movie film special graphics effect build-up refracted and shone via all angle' the light was entirely brilliant there was more lightning over the earth shown from space lasting a little more than 10 seconds... Plus the direction of this greatest ball of light innovator fame heights blazed as fire into all the wrong-un' oblivion eyes. The evil one' camaraderie whom loved to control the crowds/commonalities with maths and whom counted up the most money moreish-ly had today their derisive scornful cut out eyes stuck in with the smacking glue back and cut out again plus... Dear, were sent to the bottomless pit which includes limbo to squabble swagger over a small piece of swagger bacon until the boasted 'bout day of judgment. Then when scale weighed assessed by the almighty for all good and bad deeds, they had done simply might cancel out completely.

COMMENTARY

That was the short film script Kung Fu Wizard. AKA. Battle Sword Masters. Battle Massacre Part 1. It was, and need I say more this hot shopping electronic film making camerawork was originally an Internet eBook. This is electronically e-definitely written on the burning skins of spanked out burnt monkey sacrifice mate. Get the drift dudes and get the gist dorks I bet this text book prototypical classic has left you entertained. Now kiss my big money ass. Coda.

Cut... Now that's a rap ya bank brat.

Good day thank you.

huge 'space stations' and 'solar system orbiting planet moons'
7.7777777R years from now and you say... Having the-z powers of
magic-king people into midgets isn't a blessing watch the writer
come alive.

SCENE 1:

HOOLIGAN #

Alright little bobbit nut we're getting
our bit in 1st for him then the rest of
his film is midget blessed + I've got to
say on top of the f*cking rest army and
fire power and with hundreds and
hundreds of hooligans in cars with guns
1555+ concept inventions, 70+ more
better literature books 16+ ranking top
heavy grade literature musical album
scores, more film scripts... Plus pro
adding up to future scores more. This is
the better and bigger calculation today
new math hits. Rock that film script
film script yeah.

SCENE 2:

Deep in towards the principal middle of the galactic cosmos was a very special world beyond all known midget mayhem before it. A world of fantastic midgets and powerful sorcery. The little folk existed in all wondrous shapes sizes colours and creed some magical ones were even sized as a thimble cap cover...

SCENE 3:

An Apology Behold.

Any fictional nastiness malice in Z-the film does not exist at all as all the nice men and women of their race make nice good film for me okay none of the character' of this so especial written text script film will get harmed this is an expression of his creative flair around the active shamanic talking table.

SCENE 4:

All midgets in the air.

After beeping the little geezers throat and stamping on his head he sent all the rest/a lot of 'em up into the alien space waste

lands tying the rest of the party balloons around their throats and all hands behind their backs pal sets them free so to speak up up into space hung and... Rising to oblivion eyes.

SCENE 5:

The midget slob and fast flies. Live... She flew that sh*t of a husband in the market supermarket by his face in the fresh pasta aisle the little c*nt slid on his fat ass for the audience for what seemed like a virtually an eternity he banged his tiny little small microscopic nut onto the shelve corner claret plasma all over the gaff. The robotics and cyborg smalls went home at midnight as all the souls of the slain midgets combine naturally at the end of each fantastic day into the spirit robotic powerhouse this 25 hundred foot plus giant midget is e-wearing today green stockings and suspenders and always ass bleep/sp*stics all through the night and the pasta bitch now eats real midget TV dinner style in front of the TV stuffing her appearance expression with a little good spaghetti... Her face watches this next bit on DVD rewind again screen.

SCENE 6:

The Brothel. A XXX Rated Session.

What I'm really in the mood for is a stay loose thick midget ass sp*stic/bleep with red blue green yellow movie flashing invention eyes. O' yes MR. Come through here we have plenty of those ready eager to please Egor... Show the man through the corridors of the meat rooms. Door to door room to room was stocked an Aladin' Cave of female shemale ass sp*stic/bleeps nobbing dicks helmet to ass wall anal. Woh, look at that enjoying yourself there MR. This alien midget bitch had triple silly milkie titties mate and was drinking hot cups of erm strawberry flavour Stephen semi-skimmed milk powder lots of plenty skin/flesh was displayed. O' like how embarrassing you're even more famous now. Of course, the muscle-bound biker was here only for the kill brother... He kicked the pretty freak midget across the room planted the bomb and skilfully roped out down the window quick and the conjoining fire escape... Blam! Time bomb and visuals of a round ticking one exploding.

SCENE 7:

The Prey And Chase.

Prayer clever enough writer using the magic bit to magic all in Hell into magic midgets with midget magic this f*cking guy writing midget aint f*cking around now. The big man midget man looks scared around z-the corner you see after running down the dark alleyway it's raining rain and miniature soft plastic made cats and dogs in this scene. The killer rider has been tracking the little guy with a classic movie tracker this time he speeds up... The midget man runs of course falling over trash cans and bin bin bags with "trash" scrolling along the bottom of the screen take... The killer rider zooms past picking him up by the scruff of the throat collar and tosses him aside he is a wicked c*nt even evil today. The little guy of course bounces off a metal locked back exist door of alleyway wall maimed this main dude wheelies over his head turns around an added motor wheel spins him on his extra hot face up against the wall with his power machine' rubber front wheel turned.

SCENE 8:

As it is of course scene 8 spelt out bit... This, a spider' eye views... A normal sized super sexy woman/bird naked stands out of a sweat sauna box wow what a wet sweat voluptuous figure form body shape size plus all over the floor the men wanted went and up their own stomachs/pixelated.

Cuts to. The only surviving rocker punk bitch from the brothel naked midget bends over for the final shot spreads her ass cheeks and pixelated showing a wide-screened huge black man' hole an old chasm gape.

SEX MIDGET BITCH

Have some of that you c*nts.

Then the space universal collective cockerel alarms his alarm.. A real loud sci-fi cocker doodle doo! That's the noise it makes you see. The shot zooms out/and up showing the entire universe and the thing that looks like Merlin on a twig earliest possible cosmos moment as it expands with exotic lights to the today time pieces of eight pieces of eight O' clock and onwards beyond curry me bad... I should think I have been. Plus, in German accentual this time... Please it's the police.

With form and in precision format, graceful in creativity the innovator film invention formula XYZ exhibit. The film end.

No tears please. Nice package.
