Narration spelt out...

NARRATION

Extremely important note via the
Authors board yesteryear. Warning doing
Ouija boards is very, very... Dangerous

do not do them do not even keep one in
your home as it can have diverse and
bad effects for your life.
Realistically only to be attempted by
professionals who have Ouija boarded
alive many talking graveyard skeletons
in the past..

Continued a scene setting. It was set up as usual as it should
be. Via conjuration and kingdom come the necromancers finished
incarnating the spell with their board the skeleton raised up
quick as a parallax lightning and immediately started speaking
all secrets.

IAIN INNES

And I know. I know... I'm well out of the
harm's way on that one. What a magic,
what an amazing feat to do such a board
on those many occasions at dusk and
night for the terms and conditions
states on such regular rewind watch
that raise casket scene again basis
that was scene 9. Not a '999' phone any

IAIN NARRATES THE VISUALS TO HIS WORDS

The alchemy transmutation scene was done. Speed up was the work at its 3 stages says Jiain Master/Iain Master as in his inventory measures of the holy mercury water plus Elemental Maureen her elemental sulphur equals very metal rates of dead metal. Movies built onto the great practical workings of philosophy 'The Great Work' images of the 2nd treatment vessel upping of the heat temperature twice more after the strong green lion tis lunar white argent medicine to transmute copper base into silver vive keeping it on the stronger flame the sequence next colour is shown a bright citrine adding the temperature upping it to the final degree appears a body shining gold medicine elixir able to tinct transmute all metals in the ratio of 1 onto ten tat lead and appears in most red grains. The transmutation process shown onto the few small amount 24 carat gold the elixir produces dark smoke making a

cracking sound snapping noise is heard whilst the gold making medicine whilst in fusion with the tat Hermes. We then take the process further over another 30 days in 5 degrees in 5 more treatment vessels on a lower heat bettering our stone and the stone was Christ... In its 5th degree after 30 days we have the ferment lxir able to transmute base metal to a higher degree to the ratio of 1 part to 1,000,000 parts of lead tat. Let me demonstrate seriously he will show you the old man laid out on his bed whom is administrated the ferment in a little warmed good wine instantly he will show you... Watch the medicine of the Holy Order brings the patient into a healthy sweat instantly he becomes young his all his inner workings skin hair and bone will instantly be diametrically wholly renewed. Correct method English man. But to also add you are amazing all this IP stemming from this golden age alchemy learned skill thanks so much for this demonstration and all the
