absolutely hits the f*cking fan for them whilst 'The' Satan feels it looking on gobsmacked... The go cash it in world baby loons mindset spat into the wind one time to often well they are looking extra famous now in the history books... Spell it out for them... 'Loudest laughing at them lasted forever' so... F*cking fade it to volume nix frequency and this is new.'

SATAN/OLD HARRY/BEEZLEBUB

F*ck you mate. Yeah, that's extremely clicking precise acting right for God goody bully 2 shoes power image accentuated wins... The displeased horny Devil scene twists and writhes and thrashes about radically in global business pain. Plus, the next bit... You f*cking say it I aint you big bully I like them that's because you're a hot old c*nt hot Old Harry. Right the lousy grumpy nasty enough celebrated old granny slag on the TV spot is an ugly cunt plus the other old spunker he didn't like on the other boogie it channel is a dirty old slag and they both receive get a today far-famed movie

mention. Wow you're even more recognised
and popular now and you'll f*cking
regret this too old kiddo ends a 2023

SCENE 6:

EXT.

Now the following text and visual of the.

The Garden Of Eden. Evidential innovator... Writing the emblematic
symbolic arts fairy-tale like in evidence very pretty unto the
were a beyond eternities worth of ink treats concerning the
nearly completely little invisible force. The prompter thought
from him was of the ancient garden over my back and it is the
resting place of the dead. Merlin and the better standing
ranking angel magic original alpha wizards not the she Devil
wicked heathen bitch angle nor any of the cursed silly billy
little magical nick broomstick boy/s. Merl' back turns right
again spelt out letters as before I.A.I.N. I.N.N.E.S.

Lasting 3 seconds and in a row red lightning strikes across a hill marking and to the ground... The Scene Continues...

Picture the picturesque censored out arts word/h*nky evil little puppet play power man with the enchanted weight potato sack over his little head... The sack is now produced in brighter introducing inferno flames on fire to reveal him with bigger hands from before with a later day glance he shows off his tropical black grey streaky side over hair parting tucking into his take out triple fast food curry tray in numbers of 3 in completeness a mushroom curry #3 on the menu made with the shamanic effect power powder. Plus, then spelt out a 'number 3' he eats with a moonlit striking spoon the glamorous exotic writing mushrooms in shapes of #3's from the constellation as explained before by 'The Son Of Death' film movie... Also Known As... God The Father Inspired By My Father's Father... Movie film = The Heavenly father.

Continued visuals...

Speaking from within the... Plus within an altogether different area trance sub-conscious zone stance his hot curry powder curry inner his triangular link up format shaped invention stomach

alembic projecting out onto the TV then up the cable/s to the satellite connecting to all world television satellites then back down broadcasts across all networks onto every person' turned off televisions via wire that sleep whilst those folks have terrible sweating nightmares and tap about it too. Most definitely then on every waking person's TV broadcasted are the nightmares of him from as big as a pylon film \$cript from the dreams of each and every one in the universe not just earth each only lasting seconds... Playing for hours as a series of serious adverts on his television from up there plus new big constellations absolutely beyond excellence he thought... They're swinging from TV, speaker and broadband wires around their necks from his roof rafters and he don't even have to get up from his chair whilst he laughs watching that for hours. That is meant to be just a short extract lasting 1 minute on a 10 X 10 grid screen. O' plus the slick old rat bag had all the black and white classics recorded on VCR plus had all that bit recording on VCR to save it for later to show his pals that were dead under the ground he sung. Then all the new heavenly creatures sang it forevermore Johnny Show and prayer the... A chicken, spider and dead cat sh*t curry nightmare years. Then ding ting ting an important swish maximum event toast was announced everything was accounted for here on world and off world earthlings.

Fades out to 4 different curries in a ¼ transition.

SCENE 7:

The following is spelt out black on white scrolling from right to left at the foot of the screen. The following visual of the text...

'Regarding the man who just isn't lumping any of this. Whom is not a demon nor a baddie villain and the standpoint battle again took place verses the Ying Yang Karma Enchanted One/The Bogeyman Man of the creative cosmos viewpoint. The unaware ignorance is bliss vibes of the magical leppers and their chatting laughing lips plus other mind crap rubbish from any drunkards and druggies to be spanked down in art and the many other young quick zip head fart blow off boys full of lies and puss Iain should now be made aware that 'yes fiction' he's had a couple of ton of people slain already Jimmy who were from a bad-der walk of life then they f*cking were me little gun son*c.

SCENE 8:

The following is a curry monster text in a dead and curry gurgling plus computerized tone. Plus sounding a bit Indian-ish...

THE CURRY MONSTER

I'll say it for him man no f*cking problem it's him the exceptional curry monster pal that'll bang you up in the air like a no cash stylee baking red-hot curry bomb blast ya vile little fat pub man cunt. A very loud Semtex snapping noise is made through to actual FX image wow you've all been curried pal. Your always been dead pub is getting bombed in a film magic movie mate have a nice f*cking/flicking limbo/hell fellas. Get your f*cking hot tit back inside the pub pal and you you're the one to laugh at ya f*cking clowns. Oi-oi! Just as well you don't know who I've had murdered for me you ugly old c*nts it's a film man and in my movies, I'm having ya made into healthy environment vegetable and

meat pies. That's right writer you can disguise anything in a curry pie bud especially in a magic film. Iain, they don't f*cking tell you, your lot have had people made into f*cking pig food man.

ANOTHER LIPPY RUNT

Hey f*ck you man.

GOD'S REAL GOOD MATE

Look old bloke you ugly little rat man and you young bloke you dumb ugly young c*nt... Your limbo awaits. Come over here sexy bum finger move wagging back and forwards towards him your turn again sexy bum off to Limbo/Hell your souls might even go to heaven where there are big blood stains on very large reception area carpets within dreams, the... Door in time is locking/locked. Poor old pub fella' doing yourself old in the pub

spending yo pennies left and does it hurt that someone whom drinks in your fav pub always like you has the plague buddy and a black magic cyst magick'ed onto his face the little ugly dirty f*cker.

Clean cut.

SCENE 9:

MERLINS MIND BUDDY 1

Another flash of brilliance and snap of magical light that was pro arts FX thou delicious slice of the invention. Revealing a bikini wearing women holding a colour board with a top position red blue green yellow strip light moving fast from left to right across it repeatedly with each word of the next sentence sequence white on blue.

'How do you keep coming up with these primo demo ace ranking schematics/invents now numbering an upgraded 1600+... Business schematic, top concept movie script ideas, songs and books/E.'

Scene Description...

A silhouette of writer putting his magical gloves on rubbing his hands together then loudly claps... Then to arms horizontal vertical silhouette plus a puff of smoke and more lightning bolt formations with gold and silver horizontal lines going up the screen turns 360 degrees clockwise then a brilliant gold silhouette changes to Merlin as described earlier pointed hat et-cetera with extra speciality FX specials.

WRITERS NARRATION AS MERLIN

Via the original blessed method it has been achieved one which is a modern gold frankincense and myrrh in the cubicle 300+ times digested on the back of a dead cat sh*t spider magic curry cooked up by the

Christmas Birthday man even if he
didn't make one that year it's the
thought that counts/z train of
thought, and... Give us writer of the
exquisite lavish styles another pro
power manifest alphabetic sequence
technique not a eureka moment like
theirs done already but in your
better moreish creative style of
originality prose... A loud wrapping of
the hands continues then came forth
through the angel magic index
celestial sphere welkin another
horned semi visible vessel kelpie
followed by red blue green yellow
opening curtains revealing all
knowledges art plus the method and
outcome includes the resulting
arrangement conjuring and alchemia

eternal youth magical smack wizard
magic witch doctor revisit the mud
shamanism and more. Lots of hard work
and practise mate. Practise you get
good at it after inventing 10+

inventions on the back of some
shamanic power powder.

SCENE 10:

EXT.

MR JIAIN

Well well well a new breath of fresh air
Iain at last in the industry and the
strong potent frightening away of the
power daylight magic bitch and the whore
bitch of the night and Lilith, Adam'
nymph. O' hottest dreaming fiction
Bogeyman together with my-some boy son
son truly tale them the impressive tell
them from the tops of the mountains of
the good news plus, their... Atrocious
hissing end is up for their mazy snake
men minds and acts the end is up and
they will soon be done. For the one'
whom swim their hearts in illuminated
blackness via the purest form of all

evil wickedness souls shall be f*cking
clicked mate and will cancel out to nix
they will be dead.

SCENE 10:

The next part spelt out...

'COMMENTATOR'

Well yes Mr E. Another hot enough
curried smack scene is a coming up scene
and... As his boy does not answer to you
sir he's already had people made into
Pig food boy. With this line he's had
murderers and rapists made into big
sacks of little yellow multi-purpose
farm pellets boy.

SCENE 11:

EXT.

The visuals of all the stars in the entire galaxy amassing together spelling out the following text joined up writing from the pen of God. God concentrates from the constellation of curries his writing from the gut.

BEARDED ALLAH THE FAIRY SAYS WITH HIS TOP SWISH MATE MR. ABDEL

MUHAMMAD

I'm God.

GOD

Piss off son! Plus, you want some sugary arts thou beef blood stains onto his writing land ugly beard boy. You're not entire cosmos big bang f*cking God fella plus I the writer concentrate E be careful how you even write it MR. It might come for you and your reader all the yin yang universal cosmos viewers. Carefully now the Curry Monster is out to get you... I'll f*cking Curry you up

and cover you as well writer. Look son
there was a once a man who ate so many
hot powder curries...

SCENE 12:

Visuals of entire galactic cosmos God' gut representing the
digestion of his universe and vessel alchemia. God points his
finger to the constellation of the curry monster. The entire
universal stars amass together spelling out the following text
joined up writing from the pen of God plus the Milky Way in
alignment with the sun as foretold.

GOD AND HIS WORDS

I mean this is clever in originality the
inventor ate curry after curry so many
so that after a lifetime era of eating
this hot powder curried delicacy power
powder he turned into the most powerful
of curries. This Allah geezer was a
f*cking ugly monster he was ugly plus I
was triple strength of delicious

beautiful face and inscribed within this fine works... Is, the all-sexy dance coolest excited babes and behold, the hot curry powder shaman modus methods... I invented the curry monster pal he had the same powers English guy as the Curry Bogeyman mate. Bearing in mind a lot of my power itself came from the shamanic power powder at the beginning and this booster is still magically happening today... I am the alchemeya arts vessel wins of pro and the powder. + the excellent deportment of the business eye play maker/s ploy machine was on top of the temple. + the curried spider grail subsequent gait is over flowing of the spider also equalling a cook up of all black arts posture and included in this f*cking movie are the fox-in-hole most secret arcane dark forces and art which are further today displayed as all the 8 eyes strict doctrinaire Merlor' and Merlock' and other Merlin' of entranced might and innovation expression mien strength so Iain say it... Like you mean it O' golden and most powerful smack the

being of his own creation vessels
carriage deliver us from goblins,
brougham aliens and other dimension
spooks do you know the rest of the 99%
unknown to man supernatural dark occult
forces of the aenigma manners and the
off-world mystery lodge puzzles. This
now must include the censored-out star
magic arts *_ _ blanked out arts of *_ _
then good day sir, and die... As I must
slit your throat you f*cking asked for
it again pedantic old kid. Yes, the
heathen wicked all unholy bitch problem
plus the top sorceress power loses face.
Yield! In pain you have been outdone
tonight at the enchanted stakes
exhibition by the attractive arts very
best available creative alchemist
finesse.

Cut.

SCENE 13:

Following narration spelt out technically video projected going up the brickwork of my movies Mayan Pyramid. With the slight outline of an invisible eye.

Scene description with the writer's commentary continued..

EXT.

Magnificent. A large enough blessing bolt of colour red lightning rips downwards in-front of the pyramid towards the picturesque new premium scenic mirror of the ying yang bogeyman at a beyond paranormal all magical glance it typifies the order from physical bedlam to harmony which was brought through the void that time beyond symbolic adding it is of course consecrated quickly it further characterises the power alignment of the galaxy through our solar systems sun... + a winged sun template schematic blueprint moves from the left to right into invention alignment.

... Then another better than truly amazing specific FX followed.. The very best one was presented in universal cosmos facts according to the laws of the circle and central dot. The graphics

engine initiates to a red blue green yellow golden in sections lightning bolt projection that directly manifests back through the satellite up my arm to the typing font. Fonts FX including but not limited to every language combination possible conjuration and yin yang vibes spiritual plus look old boy f*ck off I'm writing yo look you got thick pig sh*t in them ears boy. I aint f*cking about now boy I play hard bat and ball and I don't even have to pick the f*cking phone blower up c*nt now f*cking do one me old son.

SCENE 14:

Fades in from white. It is as follows.

INT.

NARRATOR

Plus, I'll have that then please a nice deep heated parable. He pointed out the particulars... The new folklore 800 pounder event, the curried evident. The extra enough very unsavoury chimp was

also added narrated into magical bits,
of kitty sh*t and salted monkey soup
dishes he narrated the dicing of death
go all chop stick meats a very well done
in buffet arts selection... Plus arts thou
and of horny Devil pact magic bit and of
its invention because dear the shaman is
magical and globally first ranking plus
first at wizard tray magic films.

JAP

and hallowed be thy monkey heart exalted
cook... Whom giveth the new depths of
desire. Monkey heart it tastes just like
f*cking dirty but delicious fried pig'
livers mate. More like h*nky clicking
f*cking innards mate.

COMMENTATOR

But these business introduction diamond
dusted entrails are absolutely f*cking
excellent they are World Wide Web
hardened with the finest frequency vibes
more ingenuity plus his holy top making
sense professional order of alchemy.
This boss is what is on offer tonight at
the cinema and what they want creator
Iain' movie food for thought comprises
of 1600+ invents biz concepts easily
better opportunity/s then aye.

With a transition of an eye movie/flick book moving around
clockwise around the earth/globe... Suddenly stopping at north
position point with black hands of the clock telling 10 to 2.

SCENE 15:

A technical text to videographic schematic sequence of images
of clockwork automation playing through the writer' all in one
clockwork automation display device hand edition and light
fitting portfolio additions lasting 1 minute.

SCENE 16:

INT.

This perspective high-handed new ambiance dictatorial autocratic dogmatic AI monocratic scene is the impressive repressive mirror stanzas stance of old Harry and the primacy new aces hand capital MR. Jain' words are to be spelt out inside the mirror in a better advanced favoured methodological methodical image and audio FX. With added all magical blood curdling banshee screams outside in the background and big city police sirens with big imagery angles of aliens, angels and demons travelling through to many earth-world locations inside mirror reflections lasting 30 seconds of course it also have- th Merlin' in that bit too thanks. Also, it is followed by a black magic operation at night. In which one travels his dark forces power across half the city in rain water puddles car bodywork glints off building windows and other reflective surfaces... Now magically inside the building he acts out the mental trauma spiritual damages. The oppressor turns the screws further wheels and deals out Merlin' and a Smack Wizard in the middle of the night a cloud of blackness appears in the victim' room through another negated hole which ascends further through

it true semi dream state invisible lighting strikes with his spiritual pals/the astral projections and scare monger equipment was administrated believably, better than skilfully now appears the small snarling demon on the floor in front of the and the victim is incapacitated semi paralysed with fright and not sure if he is awake dreaming whist trying to flick and shake his head. Voila.

SCENE 17:

MR JIAIN

So, it was not I it was indubitably him...
The Classic Devil. Another definitive part of this film script. Also, new schematic futuristic beyond the very best FX oblivion eyes.

SCENE 18:

The following text scrolling from top to bottom, then bottom to top at each full stop..

'Spoken with the authority of the leading voices of the 5 ages of Mayan speaking in the top left, top right, bottom right, bottom left then the writer's representative of this top entertainment prophecy overriding positive piece with a '+' signage levitating up an around the entire screen with the symbolism of the text in all of the alternating spare corners of the shot with that 5th sentence echoing down from the voice of his Majesty Lord Jesus Christ from heavens visitations.'

MAYAN MASTERS

Secrets of levigation from within dear my alchemical hexagonal bath. Christ this time easily raised aloft his banner of the victory herein today the new writing in advance from inner a strong alembic... Our sun, the solar system solar disc. Offer some of this art to his central head horned Imps. Introducing now the thrice garden gnomes three. Seven, fourteen, twenty-one... Then jumps up popping onto the screen in a row twenty-one ceramic and plastic resin

INT.

MR. JIAIN'S NARRATION

More spider.

Plus, as it reads kid...

The kool phat man presents... He walked into the hot weather area f*cking big enough Cambodian delicatessen to pig out on some spiders please oh that's right Englishman big baked spiders. That's right I went there tonight just before the crescent moon light for a big baking spider drenched in cognac. He got it home his wife said quick eat it before it eats you. It was a real nasty looking thing in fact it was grim. A fine specimen by the writer looking at this thing he took a big bite mmm she's so jealous when I treat myself to a spider give us a bit she asked him. He replied... Break a leg. Delicious as a snack on its own merit. She said husband you got me feeling like a big baked spider. Money was so tight like her c*nt these days so he gave

her the paper bag to eat which was flavoured with the delectable whisky cognac.

Then cuts to a glass of good scotch being poured from a 'very posh' decanter.

SCENE 22:

Again, as it reads...

EXT.

I've spoken of eating monkey's before, more monkey that's right just over here they'll let you buy one. No no no, no no no no no yes... Go away she tried to cover up her selection of freshly caught cheeky monkey assortment of bush meats... No wait miss dollar the grey-haired head sweating hag saw they were holding big currency look dollies/dollar's money okay. She spoke again to her ugly looking foreign fellas in her really foreign itchy language. 2, 2 he lifted his 2 fingers up she took the cover back away to reveal an excellently written selection of small monkeys which had all been very inhumanely caught in brutal

h*nky snare traps f*cked up done-in killed. There were also some dead paradise birds that one and that one I weren't f*cking about we aint haggling and I paid \$5. United States buck dollars per head O' monkey here + \$2. For the small bird. He went home to his guides mud hut cooked butchered 1 of the monkey's stuck in a pot of baking hot water nothing of the animal was spared in fact it a fed his whole family that evening consisting of 6 ugly children his wife and us both. I said before they served it from cooking pot wait a second and sprinkled a lot of that stuff the Chinese add to their cooking to make it taste nice... Aye that'll make it taste better I said to him. The man nodded ok... I then went home the very next day. I have now decided to write him even better plus heal him more generous famous from his illness dose of yellow fever mate and because I say... He was "So spiritually poor like the other famous pr*ck/s of the chip wrappings saga." Plus... I'd had my jabs plus I'll try nearly anything once or twice. Plus, the guide gaffer told me a tale of his foreign lands friend a real dirty f*cker that jacks monkey' in the jungle all day then goes back home and gives it to half the women in the village filthy c*nt plus digs up his dead relatives to have a dance mate. Look me old son if you're going dance with the dead do it properly mate like his line ouiji boarding alive talking skeletons since the 1960' and 1970' and mind... Your cheesy rapping f*cking mouth you dumb little slapper. Aye he got it right for you then aye.

SCENE 23:

EXT.

Yes, visuals of the Milky Way moving into alignment with the star/suns ever so closer, closer... Plus with the audio of a clock ticking.

THE DEVIL

Alarm bells a ringing Iain it's moving
into alignment... Plus will again.

SCENE 24:

Narration of these text visuals and thanks a lot get to it then.

NARRATION

Cuts to Satan/The Devil with f*cking great good-looking big power ion and proton storm horns and snakes writhing in his hair whilst upon a time his raider incursion eyes flash flames of mega hell fire ultra quicker extra in passion extra tropic and infernally hotter so brilliant with earth forces and pro fierce energy awesomeness... He twists his ruby coloured forked tongue then points to the pyramidal eye... All the known to man blasphemous words also reached out of his mouth... The screen turns 180 degrees clockwise to visualize God doing the waltz back effect actual physical force FX but with more heavyweight extreme powers and clout... Head of poisonous fire snakes which went more terrifyingly writhing absolutely twisting and writhing thrashing about around his hair with his eyes exhibiting all known space phenomena scrolling up the left and right sides of the page in alphabetic order including mega FX special imagery best cosmic iconographic symbols all the most powerful good and

eye then explodes making a sound as loud
as 666 galaxies colliding plus the
pyramid crumbles to power powder!

SCENE 24:

EXT.

Now the family brothers were in the night time graveyard
practising the Ouija Boarding alive of talking skeletons again
as they felt like doing it man and look we aint given him

permission to write any of this. We can still do it today... These bone skeletal cadavers raise up quicker than lightning once more by art... The 1/3 life force left started talking secret knowledges of the arts the darkest kind. The camera is trained at the reflection angle from one brother' eye at the talking raised skeleton viewed by the other brother and back to the coffin area raised dead. Like the famous picture in the famous supernatural book.

SCENE 25:

Fabled Iain on Film sitting at his desk in an immaculate spic and span humble enough office... Demonstrating his newest Ranking Invent Business Concept Opportunity. I think you'll f*cking like this one. Plus look more f*cking carefully at the portfolio opportunities in future c*nt.

FABLED IAIN ON FILMS NEWEST INVENTION SCHEMATICS DEMONSTRATION

Invention 1618 business concept
invention opportunity 1618.

New upgraded invention concept = universe, tv streaming and movie drive face masks with many more extra functions so original and brilliantly done.

A very nice all excellent upgraded version invention from the decade leading SERPs biz portfolio presentation entrepreneur.

This connected image led screen network in the basic humanoid face shape of a face mask with a Bluetooth/Radio Signal touch screen remote controller which allows the wearer to stream any face area on one' television set with the USB plug into tv adapter also one can not only pause mask visuals and save but further manipulate the mask screen visuals via the systems touch screen wrist remote to change the face display to bronze effect/marble/polished wood/digital gold and silver encrusted with all gemstones plus semi-precious stones etc... Also, the onscreen menu

options included but are not limited to caricature system/art police mug shot editor... This machines mask and remote controller build includes mega memory bank expandable drives for further purchases of pre-filmed movies other on stage acts and music performances plus theatre performances etc... The streaming visuals/downloadable and hard drive software/memory packs for the invention here allows further displays of all needed face area art schematics and face recognition technologies in correct order of the original recordings for example movies. The mask and control wrist piece also has a voice/audio synthesizer/and text file input alignment to visual actual face/video files for example have video image of the author of the written works story tale or allocated actor packs and historical figures/cartoons can be purchased etc to play through the face screen system output. A videographic and artistic beauty face make up/and avatar building palette system is included..

Plus, the device also comes with all the best halloween masks and includes software to make your own... Also 100+ classic movie trailers as standard are included in this machine... Plus a memory bank video file and photographic file system of famous historical figures such as global politicians etc is included as standard. Plus, this device powerhouses a 100% manipulatable grid of the visuals/audio/text/factual schematic system display output of everything known to man on the earth and in the universe entire cosmos. On board stereo speaker, microphone, rechargeable battery power cell. "So... F*ck ya."

Plus, my invention concept #1618 also states the above invention all schematic capabilities with an extra television reception receiver. Plus, internet WI-FI streaming function. A mega portfolio addition new finger clicked and power upgraded business opportunity.
